I'm sorry that I'm last with this. I had a fundraiser the other night and that delayed me. I hope you accept my answers. Thanks.

Chairman Anne Kaiser

1-Do you support maintaining Current level of Budget Funding for the Maryland State Firemen's Association?
Yes

2-Will you support putting additional loan funds in the VCAF (Volunteer Company Assistance Loans) program so that more low interest loans can be made through the Maryland Military Dept and the Maryland State Firemen's Association?
Yes

3-Do you understand the critical situation of the Volunteer Fire and Rescue System in Maryland and support additional State Benefit incentives (additional income tax deductions/reduction of state fees) for Volunteer Fire and EMS personnel?
Yes

4-Would you support state funded accessibility to family Health insurance for volunteer fire and rescue personnel?
Yes

5-Would you support modifying the Workmen's Compensation Insurance allocation model for Fire/EMS Assumption Claims to be pro-rated by the claimant's employment or volunteer service location rather than the current last exposure insured.
I would need more information to make an informed choice, but I have long been a staunch supporter of Volunteer Firefighters. In fact, this past year, I was awarded as Legislator of the Year by the Montgomery County Volunteer Firefighters.

6-Would you support additional funding models for fire and rescue services in Maryland
Yes

7-Would you support providing additional funding for the rural counties to raise the compensation level of EMT's and Paramedics in each jurisdiction to reduce the critical EMT/Paramedic Shortage in rural areas?
Yes

Would you support legislation for any of the above issues
I have been proud to support volunteer firefighters across this state and will continue to do so.
